Hire Options

The Media Resource Centre Venue has two cinemas i.e. the Mercury, which seats 186 patrons & the Iris, which seats 36 - and includes a modern foyer area with a licensed bar and entertainment facilities. Ideally located in the Lion Arts Centre, in the heart of Adelaide, the venue is highly flexible and is an ideal location for seminars, presentations, launches, corporate functions, social events and film nights. The Mercury and Iris are fully licensed for events, including private foyer and bar.

Facilities – Mercury Cinema

The Mercury Cinema is a 186-seat modern auditorium, fitted with comfortable tiered “theatre” seating offering optimum viewing from any position. The cinema is used for a variety of functions including seminars, launches, parties, live and mixed media performances and film nights. The use of microphones and speakers' tables is free of charge for all hires.

The Mercury Cinema has premium facilities for:

- 35mm and 16mm film projection
- Bluray & DVD
- Video projection for most formats - including Sony 4K projection
- Data projection for all platforms
- Cabled & Wireless Internet (including projection with a 2MB link)
- DTS Dolby surround sound 5.1
- 10m X 4m screen
- Lectern microphones (up to 10 incl. hand-held radio, lapel and head set microphones)
- Slide projection digital 3PG
- Tables and chairs
- Spot light
- Stage area 2.5m X 10m

Whether it be a Corporate Video or Power Point presentation, Home Movies or Feature Films, Multi-player Games or Website Launches, we can show it on the big screen.

The Media Resource Centre's extensive networks within the film industry means that we are able to arrange for brand new releases, old classics and everything in between, to be screened at the Mercury. All you need to do is let us know what you would like to see in advance and we can do the rest. (NB. charges may apply)

Facilities –Iris Cinema

The Iris Cinema (adjacent to the Mercury Cinema) is a intimate, affordable and comfortable environment that seats 36 people and has its own entrance, foyer and kitchenette. The Iris is fully licensed for events.

Technical facilities:

Can project film and/or data onto the 4.5m x 2m screen (wall to wall). Please note: image size depends on source material).

Source projectors:

Bluray, DVD, MPEG2, Computer or Internet (live or cached). Other formats on request.

Sound:

5.1 surround Krix custom loudspeaker installation to envelop the audience in maximum sound pleasure from any the above sources, as well as CD and microphone inputs.

Dedicated stage lighting, a lectern and other facilities make the Iris ideal for presentations, promotional

events, lectures, performances, celebrations and of course all forms of screenings.

Skilled technicians will assist you and additional staff is also available on request - **Consultation and rehearsal fees apply.**

We can also organise or recommend catering and beverages for your function.

Please call to arrange for a tour of facilities at your earliest convenience.

Please also note, that this pricing is offered in the understanding that you will be responsible for handling 100% of the ticketing sales, promotional responsibilities and screening rights (if applicable).

As the venue is currently hired quite regularly, please call me to discuss availability as soon as you have any tentative dates in mind.

We look forward to the opportunity of securing your booking in the near future, & if you have any further queries, please don't hesitate to contact us ASAP
